Annual General Meeting

The Annual General Meeting was held at 4.30 p.m. on Wednesday, 21st May, 1958, at the Rooms of the Royal Society, Burlington House, Piccadilly, W1. *Chairman:* Sir Charles Darwin. Thirteen persons were present, of whom 11 were Fellows.

ANNUAL REPORT

The Secretary presented the Annual Report and referred briefly to its contents.

The adoption of the Report was then proposed by Dr. Carter, seconded by Mr. Binney and carried unanimously.

STATEMENT OF ACCOUNTS AND BALANCE SHEET

These were presented by the Honorary Treasurer.

Mr. C. G. Tomlinson, from the floor, asked the reason for the fall in the amount of income tax recoverable on covenanted subscriptions. The Honorary Treasurer explained that the number of these subscriptions had decreased because some Fellows and Members who had originally signed covenants when the scheme was first introduced had not wished to continue after the expiry of their seven-year contract.

He went on to inform the meeting that this scheme would now be discontinued. It had been laid down by the Board of Inland Revenue that in view of the benefits and privileges available to Fellows and Members of the Society, their subscriptions could not be considered pure income profit; the Society, therefore, could not be treated as having suffered tax by deduction and was no longer considered eligible for tax repayment on these subscriptions.

The adoption of the Statement of Accounts and Balance Sheet were then proposed by Dr. Hutton, seconded by Mr. Usher and carried unanimously.

The resolution was proposed by the Honorary Treasurer, seconded by Mr. Binney and carried unanimously.

PRESIDENTIAL REMARKS

Before the end of the meeting the President welcomed Dr. G. C. L. Bertram who was for the first time attending an Annual General Meeting as General Secretary of the Society.

The President touched briefly on the work of the Society during the past year, drawing special attention to the Jubilee Dinner held on 4th December, 1957, to mark the fiftieth anniversary of the Society, at which Dr. C. P. Blacker had been presented with the second Galton Medal.

The President also made particular mention of the formation, by the Society, of an autonomous A.I.D. Investigation Council under the Chairmanship of Dr. A. S. Parkes; and of the forthcoming publication of a Broadsheet—the first, it was hoped, of a series on topics of eugenic interest—on West Indian Immigration.

In his closing remarks the President said that consideration was being given to an increased circulation of the Society's publications so that they might reach a wider public. He hoped that in this way there might be stimulated a greater awareness of the work of the Society and that the coming year would see an advance in this direction.

The Chair was taken by Sir Charles Darwin and about eighty people were present. The Lecture took place at Manson House, 26 Portland Place, W.1, and was preceded by tea.

At its meeting on 15th October, 1958, the Council decided that, in future, the Galton Lecturer should be awarded a cash emolument or a piece of plate (of equivalent value) according to his or her choice. Expenses would be paid as in the past.

Mrs. Stocks accordingly received from the hands of the President, after her lecture, a piece of plate, designed and made by Mr. Leslie Durbin and engraved with the *Society's* emblem—*Galtonia candicans*.

EUGENICS REVIEW

The Eugenics Review has continued to appear under the Editorship of Mrs. K. Hodson.

The Editorial Committee, which has met four times during the past year, consists of Mr. P. R. Cox (Chairman), Dr. C. P. Blacker, Mr. Cecil Binney, Mr. C. W. Usher, Dr. C. O. Carter, Dr. G. C. L. Bertram and the Editor.

With the July 1958 issue the price of *The Eugenics Review* was increased to 5/- a copy. This change was agreed by the Editorial Committee and was made as a first step towards putting the publication of the *Review* on to a more economic basis. The Committee will consider a further increase in about two years' time.

With the same issue, the *Review* appeared in a new format (the page size remaining constant), thus implementing the decision of the Editorial Committee that, as in the past, the general format should continue to evolve in parallel with public taste.

EUGENIC BROADSHEETS

The *Society's* Broadsheet on West Indian Immigration was published in September 1958, and was, in general, favourably received.

A total of 3,500 copies was printed of which approximately 2,500 were distributed, free of charge, following a circulation list recommended by the Editorial Committee. This included all Members of Parliament, Privy Councillors, certain Peers, Anglican and Roman Catholic Bishops, Headmasters and Headmistresses of the principal Independent Schools and some Trade Unions.

A steady sale from the *Society's* offices of copies, at 1s. 6d. each, has been maintained since publication.

The second Broadsheet in the series, on Problem and Promising Families, is now being drafted.

PROMISING FAMILIES COMMITTEE

The Committee's third survey, to which reference was made in last year's Annual Report, was completed in the Spring of 1958.

A report on this, and the two previous surveys, was given by Dr. C. O. Carter, the Committee's Secretary, at a Members' Meeting on 21st May, 1958. (*See* above.) The report was published in the October 1958 issue of *The Eugenics Review*.

GRANTS

During the period under review, the Council has made the following grants:

REPORT OF THE AUDITORS TO THE MEMBERS OF THE EUGENICS SOCIETY

We have audited the above Balance Sheet and annexed Income and Expenditure Account and have obtained all the information and explanations which to the best of our knowledge and belief were necessary for that purpose. So far as appears from our examination, proper books of account have been kept by the Society. In our opinion and to the best of our information and according to the explanations given to us, the Balance Sheet and Income and Expenditure Account which are in agreement with the books of account, give the information required by the Companies Act, 1948 in the manner so required and also a true and fair view of the state of the Society's affairs as at 31st December, 1958 and of the deficit for the year to that date.
